On Monday the 14th November we will be holding our Sixth Form Open evening for all Year 11 students considering their options and choices for Post-16 study. As members of the Partnership for Learning and Education (PLE), along with Tor Bridge High, Lipson Co-operative Academy and All Saints Academy Plymouth, we are able to offer a huge range of courses and pathways beyond GCSE's.

Over the last 3-4 years we have expanded the number of A Level and BTEC courses we offer and, similarly, our options for Vocational courses continue to grow and expand. We are confident that we will be able to find a course and pathway which suits you and your career aspirations and this Open Evening will be a fantastic chance to think about what options are available to you. On the evening we will have subject teachers, current Sixth Formers, partners and training providers from across the city here at the college who will be able to answer your questions and signpost you to the right course(s) for you. We will also have representatives from Plymouth, Marjons and Exeter University who will be able to offer expert advice on the entry requirements for their degree programmes. We are enormously proud of our Sixth Form and would like to welcome you to come and find out about the courses and opportunities we offer.

The evening will start at 6.00pm with a talk starting for parents and Year 11 students at around 6.30pm. If you are unable to attend on Monday the 14th November but would like to discuss your Post-16 options with a member of the Sixth Form team, please be sure to contact us on 01752 581604.

We look forward to seeing you to discuss your options.

Mr J G Dunkerley

Head of Sixth Form
