Dear Mr Hobson

Commitment to Investor in Career Award

We are pleased to confirm the support of the Governing Body of Whiteleigh Primary and Sir John Hunt Community Sports College Federation to maintaining the Investor in Careers Award.

Sir John Hunt CSC is committed to delivering a comprehensive, high quality careers education, information, advice and guidance programme. We are working hard to embed careers education and guidance into the whole curriculum.

Sarah Newberry, Careers Coordinator will continue to be your first line of contact for matters relating to Investor in Careers progression for this school. The senior manager with responsibility for careers in the school will be Vice Principal, George Perrens.

We look forward to continuing to work with you and your staff to achieve this objective as we believe that all young people deserve the very best provision to prepare them for the choices and decisions facing young adults in the 21st Century.

Yours sincerely
